Net Control Script

CQ, CQ, Welcome all Amateur Radio Operators in our area. This is the Spring Hill Amateur Radio Club Monday night net. Before we start, is there any emergency or priority traffic? **(Wait 3 seconds)**

Hearing none, we'll begin.
Your net control operator for tonight's net is (your call & your name). This net is open to all licensed Amateur Radio Operators. This is a directed net so please wait for the previous station to be acknowledged before checking in. **(Wait 3 seconds)**

CALL FOR THE CLUB PRESIDENT FOR HIS ANNOUNCEMENTS.

GENERAL CLUB ANNOUNCEMENTS.

***The Springhill Amateur Radio Club operates several nets on a weekly basis. Every Monday Night at 7 pm on our 2m repeater 146.805, pl tone 123.0, followed by our 6m net at 7:45 pm on 50.150 USB.

***There is a ZOOM room setup for the Monday Club nets. Check our club website, your Groups.io E-mail or Facebook on how to join in.

***The Spring hill Amateur Radio Club holds its meetings on the third Thursday of the month at 6 PM in the Sylvan Grove Clubhouse located at 2750 Kingswood Cir, Brooksville, FL 34604. Our next meeting will be held on Thursday (next meeting date).

*We are now using netlogger software to keep track of the nets. You can download a copy for your PC or smart phone from **www.netlogger.org**

***All Club activities and information can be found on our website – www.springhillarc.org**

Next, are there any stations with announcements? Please call now. **(Wait 3 seconds)**

Hearing none, let's continue.

(question for tonight) **The question for tonight is (>>>>>>>>>>>>>>>).** We will take check ins first, then come back around to answer the question.

We will be taking check-ins in the following order. Allstar & Echolink, Short time, and then RF.

I will now take check-ins from any Allstar/Echolink stations. Please call now. **(Wait 3 seconds)**

(Log Check-Ins)

(Wait 3 seconds) (Log Check-Ins)

I will now take check-ins from any stations with SUFFIX (last letter of your callsign) N to Z. Please call now.

(Wait 3 seconds) (Log Check-Ins)

I will now take check-ins from anyone from anywhere. Please call now. (Wait 3 seconds) (Log Check-Ins)

Hearing no more, we'll move on.

Skywarn Announcements

Is there a representative from Skywarn on the Frequency? If so, please go with your Traffic. (Wait 3 seconds)

More Club Announcements

***SHARC operates 2 repeaters in the Spring Hill area. The VHF repeater is on 146.805, PL tone 123.0. This repeater can be accessed by Allstar node 465519 or Echolink KF4IXU-R. The second repeater is on 443.800. This is a C4FM only Digital repeater and is linked 24/7 to the Florida WCF room.

***SHARC has an E-mail reflector on Groups.io so please sign up and keep up to date on what's going on in the club and the area. SHARC can also be found on social media. We are active on Facebook and Twitter. Login and do a search for KF4IXU and join the group.

***Sunday Weekly Breakfast. We meet at Legend's Cafe at 10599 Fairchild Road, just off Mariner Blvd. Please bring your spouse with you. This is a good Family restaurant. We meet Sunday at 10am.

Are there any late check-ins from anyone from anywhere. Please call now. (Wait 3 seconds)

Depending on the number of check-ins and comments, go around the list 1 or 2 times,

GET RESPONSE FOR THE QUESTION (repeat the question)

With the last round being the "73" round. Let the net know before you start the "73" round.

Before we close up the net, is there anyone with any questions about the club, radio, previous traffic, or anything in general? Please come now. **(Unkey Mic)**

That wraps it up for tonight. We had a total of ____ check ins. Thank you all for checking into the Spring Hill Amateur Radio Club Net. Our next club net will be held tonight on 6m 50.150 at 7:45. We will return next Monday night at 7 PM local time on this repeater frequency. Remember that if the repeater ever goes down, we will operate on 146.805 FM Simplex.

(Unkey Mic)

Net Control is now returning the frequency back to general amateur use. This is (your call & your name) 73 and good night (your call) is now clear.

EOT

(If the repeater is down, please be prepared to do the net on 146.805 Simplex, and to announce that you are on simplex several times during your preamble.)
